This yearbook
 was a cooperative effort.
 It represents a
 gathering of the year's
 events with the idea
 that each and all
 are a part of the whole.
 It is our hope
 that through this
 picture-plus-word
 presentation all may
 view the old,
 and find something new;
 view the new,
 and see the tradition;
 note that without
 THE PARTS the "whole"
 cannot exist;
 and without a
 STRUCTURE to the parts
 we cannot exist.

*This is the nineteen sixty three edition of the TOMAHAWK,
as edited By MALANIE JEUB.*

*Presenting the University in its basic form of organization,
it follows the flow of that organization from the top to
the bottom, from the inner circles to the outer edges of
those same circles. It follows, as closely as possible,
that chart prepared by the president of this University
which indicates academic and fiscal responsibility of
the many and varied segments which make up the whole.
That chart has been reproduced as endsheets to this yearbook.*

Observing this campus from many VIEWPOINTS indicates a character, a personality, a texture; particles of a combination, a structure, the structure of the University.

OUR CAMPUS is many things to many people, depending primarily upon how you view it. For some, it is merely a collection of buildings which house classrooms and laboratory space, a place to be when classes are in session. For others, it represents a focal point for social activities, with the Student Center as the hub of those activities. Still others see the campus as a combination of things, people, and events. The combination of particles, or parts, produce character, personality, texture. Thus seeing the texture, the quality of a surface, permits an individual to define his degree of involvement, his character, his role as a part of the structure, the structure of society.

*The textures of building represent the beginnings,
the means, the final product of individual
particles. Brick, wood, steel, sand—each a
part of the whole. The texture or character
of each is indicative of the potential and
quality of a work. Rough, smooth, hard,
soft, strong, weak: individuals build
a structure, a structure as strong as its
smallest part.*

*May the awareness to detail be all important as
we add and change the TEXTURES of
character that belong to our University.*

... the PEOPLE OF OMAHA elect the Board of Education, and the Board of Education in turn appoints members of the Board of Regents of the University of Omaha ...

"Many ideas grow better when transplanted into another mind than in the one from which they sprang up."

The University is governed by a board of nine regents, each a resident of Omaha. Regents are appointed by the Omaha Board of Education for a term of four years, two being selected annually. THE BOARD OF REGENTS elects its own officers, establishes the policies which govern the University and certifies the mill-levy to the City Council each year.

THE PRESIDENT is directly responsible to the Board of Regents, having been delegated the responsibility of administering the set policy. Reporting directly to President Bail are Kirk E. Naylor, Dean of Administration, and Mrs. Thelma Engle, University Hostess. Faculty committees and the administrative council serve the President in an advisory capacity.

A man who puts in many eighteen-hour days, President Bail is "aided and abetted" by his secretary, Mrs. Hazel Spangler. Synonymous with the University, Dr. Bail is well-known to students, faculty and city leaders.

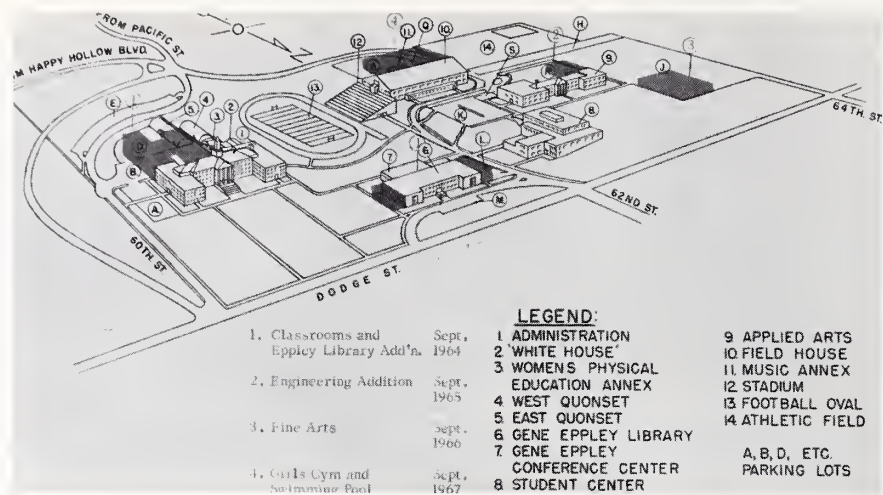

Roderic B. Crane, Kayser Chair Professor of Economics, also serves as assistant to the president of the University, representing the President at various social and professional functions. In addition, he serves as chairman of the University's CURRICULUM COMMITTEE, a committee which has the responsibility of approving all course offerings of the University. Other members are: Dr. Ralph Wardle, Dean Robert Harper, Dr. George Harris, Dean Frank Gorman, Dean John Lucas, Dr. O. W. Snarr, Dean George Rachford, Dean Donald Woods, and Dean Carl Helmstadter.

The office of GENERAL PRINTING AND INFORMATION, under Robert S. McGranahan, is also directly responsible to the President. All printed materials, news releases and public relations activities are produced and carried on by this department. Administrative assistants to Mr. McGranahan are Carolyn M. Richmond and Norman G. Taylor, the sports information director.

Predictions by the University administration indicate that the enrollment will double in the next eight years or so. This means more classrooms, more laboratories, more faculty members. In order to cope with this influx of students, a "master plan" for expansion of the physical facilities of the campus was developed this past year, with President Bail playing the lead role in the development of that plan. Three new buildings are in the offing, plus additions to the Library (already under construction) and to the Applied Arts building.

THE COLLEGE OF APPLIED ARTS, under the direction of Dean Carl W. Helmstadter, embraces the departments of engineering, home economics, journalism, and nursing. In addition, supervision is provided for medical technology, counseling for the military science degree, and the general studies program. Dean Helmstadter explains the major purpose of the college: "It is to provide principles and practices in analyzing and solving problems, situations, and ideas concerning valuable knowledge for the above professions." Enrollment in the Applied Arts stood at right around 900 this year.

The study of *ENGINEERING* helps prepare a student for positions in production, distribution or research in American industry. Head of the department is Col. Anson D. Marston, Professor of Engineering. Members of the department are: Mr. Cheryl H. Prewett, Associate Professor of Engineering; Col. Marston; Mr. William B. Lemar, Assistant Professor of Engineering; Mr. James H. Brown, Associate Professor of Engineering; Mr. Harold L. Davis, Assistant Professor of Engineering; Mr. Philip Ostwald, Assistant Professor of Engineering; Mr. James Q. Hossack, Assistant Professor of Engineering; and Mr. William Harriman, Instructor of Engineering.

"He who has health, has hope; and he who has hope, has everything."

The University of Omaha cooperates with hospitals approved by the Council on Medical Education and with hospitals of the American Medical Association to confer the degree of Bachelor of Science in NURSING.

Four Omaha and Council Bluffs hospitals are represented in the student nursing program, including about 200 students. Top, Jennie Edmundson Hospital; above, Nebraska Methodist Hospital. Opposite page: top, Bishop Clarkson Hospital; bottom, Immanuel Hospital.

President of the freshmen nursing groups are—Immanuel, Judy Ford; Bishop Clarkson, Mary Kay Bangh; Nebraska Methodist, Diane Gates, and Jennie Edmundson, Vivian Chipman.

SKILLS DEVELOPMENT, in the College of Applied Arts, is for students who wish to improve in communications, math and reading. The busiest section is Reading Improvement, directed by Harry W. Johnson, Assistant Professor.

The UNIVERSITY STUDIES Division was established this year. It provides counseling for students who are undecided; who have special interests not served by a degree program; or who have academic deficiencies. The Division, under the College of Applied Arts, is headed by Robert Ackerman. Others are Bruce P. Baker, Instructor of English; Harold Davis, Assistant Professor of Engineering and Burwell Beaman, Assistant Professor of Accounting.

JOURNALISM education at the University of Omaha seeks to be broadly cultural as well as intensely practical; thus a large amount of the degree work is taken in the College of Liberal Arts. One basic degree is offered; however, each student may select an area of special interest within the communications field. The faculty includes: Paul V. Peterson, Chairman and Associate Professor; Robert S. McGranahan, Associate Professor; and Walter Graham, Instructor.

Two tele-lectures, featuring Pierre Salinger, presidential press secretary and Floyd Kalber, former Omaha newscaster, gave OU journalism students an opportunity to speak to two successful individuals in the field of mass communications. The University of Omaha 1961-62 High School Journalism Press Conference on March 22, 1962, featured a panel of publications staff members, including Gail Grove, Karen Pope, Linda Strnad, Sue Kelley and Bill Vogt.

The OU PRESS CLUB, open to students working on publications, assisted in the presentation of the annual High School Journalism Press Conference in March. Members spoke at Freshman Orientation Day and visited the Omaha area high schools to acquaint the students there with the Department of Journalism.

Subjects required or recommended for freshmen and sophomores include English, foreign languages, physical education, and basic courses in each of the three sub-

SIG EPS started the year with a successful sing—all charges were dropped. Formal Rush saw us screaming for the cream of the crop... the cream turned sour when grades came out. The Christmas party was embarrassing (thanks Denny and Ed). Masilko shrugged his way into office ... Good Luck Sig Eps.

This is the TKE Coloring Book for 1962-63. Our President was John Knickman—color him busy; the Vice-President was Doug Primmer—color him with that useless color called L. B. J.; Jim Gammon survived the siege as secretary—color him stricken for life with writers' cramp; Bruce Will was Treasurer—color him gone to Mexico. Due to their unequalled enthusiasm, color the pledges worthless!

THETA CHI, President Lee Kallstrom, Vice-president Jim Cox, Secretary Ed Kauss, Treasurer Bob Ashley, Pledge Trainer Ron Morocco, led their fraternity through a great year. Their contribution to the Ma-ie Day Parade, was the best float entered in three years—in fact, the only one! Over 700 people attended their Olympics; however, the crowd was disappointed when the bed-piling contest was abruptly cancelled because the first sorority overloaded the bed with too many bodies.

"THE DESPERATE HOURS," the University Theater's second production of the school year, was written by Joseph Hayes. The play imparted the plight of a normal family suddenly terrorized by three ruthless, desperate criminals. Jerry Scheschy, S. J. Johnson, Gary Wallace, Merle Reiff, F. B. Nelson, and Duayne Thompson portrayed the leading characters on the evenings of February 14th, 15th and 16th, for University audiences.

Under the direction of Dr. Edwin Clark "YOU CAN'T TAKE IT WITH YOU" involved a cast of fourteen. Louise Senez and Jerry Scheschy took the leads in the delightful comedy written by the late Moss Hart and George Kaufman.

The University of Omaha assumed the appearance of "Dog Patch U.S.A." when 33 students performed in the annual spring musical, "LI'L ABNER." Heading the cast were Larry Hill as Li'l Abner and Jana Doxon as Daisy Mae. The fast moving, slap-stick comedy was under the direction of Dr. Edwin L. Clark. C. Harrold Bush was technical director-designer. Set designing was by Miss Jane Andersen, Assistant Professor of Art. Instructor of women's P.E., Mrs. Linda Dooley was choreographer. Musical selections were directed by Dr. James Peterson, professor and head of the music department, and Melvin Olson, assistant professor of music.

One of the brightest and liveliest musicals ever to hit our stage came last spring. The exuberant Dogpatchers drew the audience into each whoopin' and stompin' act. With enthusiasm, coordination and confidence, "LI'L ABNER" was presented at the University of Omaha.

GRADUATION . . . that time when all the small particles of knowledge and experience are fitted together . . . that time when the student is faced with new obstacles . . . that time when he is placed before the field of his choice. This four-year procedure of combining the segments, enhances the character and personality of each graduating adult. The quality of instruction and absorption permits a student to define his degree of involvement, his character, his role as a part of the structure, the structure of society. At graduation the adult is the final product of individual particles.

Graduation begins with the traditional assembly of the senior procession. On our campus the assembly begins at the pillars of the east doors. Graduation June 4, 1962, was no exception with 551 candidates for degrees forming the commencement line.

Under the leadership of Dean Donald Woods, the COLLEGE OF ADULT EDUCATION has maintained a position as a prime Omaha educator. In addition to the regular degree programs of the University, special programs are Bootstrap, TV Classroom, the Technical Institute, and the Community Service-Conference program.

A growing facet of the University is the COLLEGE OF ADULT EDUCATION which offers over 200 courses to further peoples college careers and cultural interests. Dean of the college is Donald Woods, above right. Dean Woods is assisted by Otto Snarr, above left. The CAE Staff Directors are Willis P. Rokes, Michel Beilis, Roy W. Nolte, William Utley and Bernard Behers.

Helping the CAE office to run smoothly are staff members Peggy Staley, Clody Wright, Bess Weinstein, Lenore Plymate and Barbara Mewhirter.

The **TECHNICAL INSTITUTE**, under the College of Adult Education, presents courses designed to serve the needs of the expanding industrial community and afford adults the opportunity to learn to perform the technical aspects of their jobs in a more effective manner. Advisor to the Institute is James Q. Hossack, Assistant Professor of Engineering.

A wide variety of educational conferences, workshops and service courses is developed each year for groups seeking special concentrated learning experience related to their profession, civic interests, or personal intellectual pursuits. Director of the **COMMUNITY SERVICE PROGRAMS** is Michel Beilis.

"Communism and the U.S. in Latin America," Vietnam, South Africa and "The European Common Market" were topics covered in the 17th annual INSTITUTE OF WORLD AFFAIRS. "France and DeGaulle After Four Years" was discussed by Dr. Louis Gottschalk, distinguished service professor of history, University of Chicago.

Three series of programs providing educational features, data on international affairs and cultural enjoyment have been offered to students and the community through the College of Adult Education.

"American Music" was the theme of the 1962 spring AMERICAN HERITAGE series, which presented three guest artists in lecture-concerts and three programs by the University Music Department. Subjects included chamber music, classical

music, music of the theater and a program on folk music by Win Stracke, founder of "The Old Town School of Folk Music."

"UNIVERSITY NIGHTS" . . . eight adventures in learning probed the many beliefs and viewpoints of urban renewal (opposite page), offered a lecture on the Iron Curtain leaders and featured such films as "The World of Apu" and "Diabolique" (with French dialogue).

All the students who took the first TV course for credit were invited to attend its TENTH ANNIVERSARY PROGRAM in April, 1962. Speakers Dean Donald Woods and Dr. Milo Bail congratulated the first TV CLASSROOM Director, Paul Borge.

"Seeing much, suffering much, studying much are the three pillars of learning" as exemplified by the 600 BOOTSTRAPPERS, whose presence is felt throughout the pulse of campus life by active participation in class discussions, the University's Debating Team, Intra-mural competition, and welcoming coffees and graduating banquets.

SUMMER THEATER 1962

... On the entertainment side, SUMMER THEATER presented "All the Way Home," "The Importance of Being Earnest," and An Evening of "Avante Garde" Theater: "The Bald Soprano" and "The Zoo Story," directed by Dr. Edwin Clark. Omaha University graduate Jerry Emery, directed the second production of Summer Theater.

It was a typical SUMMER SESSION at the University, busy people everywhere. In addition to classes, there was a sidewalk art exhibit, President Milo Bail's convocation, tele-lectures on African, Asian and Pan American festivities, and the Dean's coffee hour. The latter will long be remembered as one of the "wettest" affairs on campus during the year, for it literally rained cats and dogs just before Dean Donald Z. Woods and other University deans greeted Summer Session students.

Dean of ADMINISTRATION and Director of Academically-Related Activities Kirk E. Naylor has, perhaps, the most diverse position on campus. His activities include such items as the operation of the physical plant, the library, the business office, athletics, student publications, and a host of others. As dean, Dr. Naylor is responsible for the smooth operation of all those activities which are a necessary part to the academic responsibilities of the University, activities without which there would be no academic program.

To assist the librarians in determining policy for the functioning of the Library is the main responsibility of the LIBRARY COMMITTEE. This committee, under the chairmanship of Dr. Wiltred Payne and the assistance of Miss Ellen Lord, determines budget allocations, library usage, and book purchase policies. Other committee members include Dr. Holly Bethel, Dr. A. Stanley Trickett, Dean Kirk Naylor, Dr. C. R. Keppel, Mr. C. M. Bull, Dean Donald Woods, Mr. W. Harriman, Dr. Richard Allen, Dr. W. Jaynes, and Dean George Rachford.

An important aid to teaching is the service provided by the AUDIO-VISUAL Department, under the direction of Mr. Ronald Pullen. Assisting him are Mrs. Kay Swoboda, Mr. Ervin Heinz, and Miss Delores Ericson.

The purpose of the AIR FORCE ROTC DEPARTMENT is to select and train officers for the Air Force. Each cadet on completion of the ROTC program and upon graduation from the University receives a commission as Second Lieutenant in the USAF Reserve. Members of the department are seated, Lt. Colonel Emilio P. Ratti, Professor of Air Science, Director of Instruction; Lt. Colonel Shirl Swenson, Professor of Air Science, Head of the Department; Capt. Joseph Davis, Assistant Professor of Air Science, Commandant of Cadets; standing, S/Sgt. Billie Brown, Supply NCO; S/Sgt. Richard Grim, Cadet Records NCO and T/Sgt. Robert Hasaka, Chief Clerk.

The eleventh annual MILITARY BALL was held Friday, April 6, at Peony Park. Orchid corsages, leis, colored slides and special decorations provided a South Seas atmosphere. Diane Barker was named Angel Honorary Colonel, and Cadet First Lieutenant Terry Bernth was named commander of the Arnold Air Society.

Honorary Lieutenant Colonels were Pat Van Voorhis and Georgia Clark, and Honorary Majors were Midge Butters, Sharon Johnson and Suzie Sipherd. Sixteen Angels were announced for the coming year. Intermission entertainment was provided by the Sabres Drill Team, the Marching Angels, the Comedy Drill Team, the Angelaires and the AFROTC Band.

Angel members from front row left include: Sheila Nelson, Jan Meyers, Sandy Staub, and Malanie Jeub. Sue Weidenhammer, Jackie Palmer and Jo Felton. Sue Thompson, Marcia Cathcart, Christie Jensen, and Diane Shannon. Bev Manasek, Earlene Timm, and Sally Poppino. Dotti Mott, Rita Fiene, Mary Beth Meyers and Marie Karpisek.

Other Angels, pictured from left front, are: Nancy Metz, Janine Christensen, Gayle Boury and Carol Ehinger. Gogs Schmad, Gloria Foucek, Joyce Borland and Bev Jones. Judy Rinschen, Carolyn Curry, Barb Schweiger and Shari Zagor. Gail Browning, Judy Eichorn, Karen Rasp and Toni Turnquist.

ANGELS, as an honorary auxiliary of Arnold's Air Society, is both a social and service organization. Members are selected by the executive board on the basis of scholarship, leadership and enthusiasm. ARNOLD'S AIR SOCIETY is an advanced division of the AFROTC program. Two years of ROTC and official tests are required to become a member. Arnold's Air Society and Angels Flight cooperate in the production of the Military Ball and the Toys for Tots Drive.

Angel Officers, first row, are: Midge Butters, Diane Barker, Sharon Johnson, Susie Sipherd, Carolyn Karre, Joanne Volenec, Joann Vanderstoep, and Linda Peterson. Arnold's Air Society Officers include: Dave Parke, Clem Steyer, Terry Bernth, Stan Winslow and Dean Berk. Arnold's Air members, first row, are: Gary Masilko, David Schuur, Art Simon, Robert Iakisch, Paul Downie, Fred Abbott, Ron Toman, Dick Parrish, Jim Bronowski, Ted Samland, Robert Burdge, Frank Drefs, Gilbert Peterson, Stewart Lynn, James Cox, and Eddy Powers.

The BUREAU OF INDUSTRIAL TESTING AND INSTITUTIONAL RESEARCH provides service in the form of test administration and attitude surveys to industrial concerns and institutions in Omaha. It also conducts research involving area industrial psychology. Pictured are: Dr. Gerald Ericksen, Assistant Professor of Psychology; Dr. William Jaynes, Assistant Professor and Head, Department of Psychology, and Director of Industrial Testing Institute; and Virginette Olson.

Setting policies for the Gateway and Tomahawk is the chief function of the BOARD OF STUDENT PUBLICATIONS. These policies are then carried out through the Director of Student Publications, Paul V. Peterson. The Board also approves the budget for these policies, and in addition is responsible for the appointment of all top editorial positions on the publications. Board members include; first row: Earlene Timm; Malanie Jeub, Tomahawk editor; Miss Jane Andersen, faculty yearbook advisor; and Mary Beth Meyers, Spring Gateway editor. Second row: Dean Donald Pflasterer; Robert McGranahan, faculty; Philip Vogt, faculty; Walter Graham, faculty; Dean Kirk Naylor; Paul V. Peterson, Chairman of the Board; and Arlo Grafton, Fall Gateway editor.

Final preparations and last minute changes are made on the GATEWAY on Thursdays. At the printers the editors read proofs and put the paper through its final stages. Pictured on this page are editors Marilou, Mary Beth, Arlo, and Tom.

An unusual Friday would be when the Gateway's were not available for the students. And an unusual Wednesday in the GATEWAY office was when the place wasn't a beehive of activity preparing the paper. The staff, headed by Editor-in-Chief Arlo Grafton, prepared three special editions. The safety edition was entered in a national contest. Backing up Grafton were: Managing Editor, Mary Beth Meyers; News Editor, Paul Beavers; Sports Editor, Tom Ash and Society Editor, Marilou Thibault.

Despite the rush of Wednesday deadlines, the **SPRING GATEWAY**, under the editorship of Mary Beth Meyers, ably presented the University's news. Paul Beavers handled the news editors job for a second semester and was also the managing editor. Sheri Hronek handled the feature page, and Rosie Chlupacek served as director of the society section. Mike Moran edited the sports. Leo Meidlinger had the painstaking job of copy editor. Tom Ash was in charge of the make-up. Arlo Grafton headed a new department, special events.

In an Administration Auditorium depicting a wonderland of glittering lights and greens, Susan Faith Rester was crowned as the 1963 TOMAHAWK BEAUTY QUEEN on December 5. The elementary education major, representing Zeta Tau Alpha, topped a field of 17 to carry off the beauty honors. Others included in the top five were Nancy Kansler, fifth; Gail Browning, third; Malanie Jeub, second, and Kathleen Jorgensen, fourth.

Judges for the contest were Miss Doris Boetel, J. R. Townsend, and Kermit Hansen. In addition to judging beauty and poise, the judges also interviewed each candidate prior to their stage appearance.

Escorts for the contest were Arlo Gratton, Lynn McCallum, Dennis Madigan, and Mike Landers. Contest director was Barbara Shradar, the 1962 winner. She was assisted by Miss Jane Andersen, Dr. Edwin Clark, Mr. C. H. Bush, Miss Elizabeth Hill, and Mr. Paul V. Peterson. Jim Leslie served as master of ceremonies, and organ music was provided by Mr. Ernie Gorr. And, as has been the custom for the past decade, President Bail presented the queen with a bouquet of red roses.

OU's 35-0 rout of Pittsburg State, the defending NAIA champions brought to an end one of the most satisfying seasons in many years. The Indians wound up 7-1-1 overall and in CIC play. The only loss of the season was to Northern Illinois (13-7) and one tie to Fort Hays State (20-20). It was the best record for an OU team since 1955 when OU finished 8-1. Little Louie Miloni led the Indians in scoring and rushing. The shelling of Pittsburg State, defending national champs, plus OU's outstanding season earned a bid to the ALL SPORTS BOWL in Oklahoma City against East Central Oklahoma State University. About 400 Omahans made the trip to Oklahoma and watched the Indians play one of their best games of the season as they defeated East Central by 34-21. Paul Blazeovich won the Outstanding Lineman trophy while Carl Meyers walked off with the Outstanding Back trophy.

The 1962 FOOTBALL team members were:
 Front Row left to right: Jack Sinclair, Trainer; Artie Reynolds, Louie Miloni, Bill Mollring, Doug Alfrey, Roger Sayers, Tom Fitzpatrick, Willard Shephard, Walter Link, Richard D'Agosta, Jim Freelin, Student Manager. Second Row: Columbus Shaw, Bill Pace, Jim Rauch, Larry Von Tersch, Phil Goduto, Ron Eissler, Tony Gervasio, Paul Limas, Robert Herbold, Wayne Backes. Third Row: Paul Blazeovich, Duane Salak, Joe Benson, Gary Baughman, Gerry Richardson, Carl Meyers, Jack Kiscoan, George Payne, Mel Masek, Tony Roberto. The BASKETBALL team had its best season since 1955, winding up the season with a 10-11 overall record and a 4-6 conference record. According to coach Jim Borsheim the lack of good shooting was the main thing that kept the squad from winning more games. The squad had good depth and the ability of the freshman to pick up the art of defense so quickly proved to be a big asset to the squad. Freshman Jon Lloyd was the leading scorer on the squad.

Kneeling right to left: John Miller, Vic Meyers. Standing: Larry Villnow, Bruce Hunter, Jon Lloyd, and Coach Jim Borsheim.

Kneeling right to left: Charlie Myers, Gary Gilmore, Paul Kaster. Standing: Jim Wingert, Bob Gibbs, and Ed Woodward.

Coach Virgil Yelkin's club wound up the 1961-62 season with an 18-6 mark and had the top OU sports win-loss percentage of .750.

The BASEBALL club, which has won 79 and lost 20 in the last four years, sacked up their fourth consecutive CIC (tied with St. Benedicts) and Kansas-Missouri-Nebraska League titles. Pitchers Barry Miller (11-0) and Steve Lipman (6-3) accounted for 17 of the 18 wins.

Ray Fehrman, Wayne Backes and Ken Smith paced the offense with averages of .449, .353 and .341 respectively.

To cap it off, Yelkin was named NAIA Baseball Coach of the Year and also was selected to direct the College World Series. The Indians passed up a fourth straight trip to the NAIA tournament in order for Yelkin to direct the Series.

First row left to right: Jim Foster, Jason Decker, Alan Roberts, Loren Drum, Roger Sayers, Don Henkel, Tom Ash, Gene Somer, Dave Jauron. Second row: Coach Lloyd Cardwell,

Lloyd Cardwell Jr., Bruce Hunter, Ray Hultman, Jim Freelin, Mike Meiles, Dave Hagglund, Noel Nevins, Dennis Rose, Marv Bradka, and Assistant Coach Don Watchorn.

The Omaha University TRACK scene was again spotlighted by Rocket Roger Sayers who captured headlines from coast to coast with his sprinting. The Rocket won the 60 yd. dash, 60 yd. low hurdles and the 440 in the CIC indoor track championships then captured the 100 and 220 titles in the CIC championships. He finished second in the 100 at the Kansas Relays and third at the Drake relays and dumped U.S. Champ Bob Hayes twice in the NAIA championships to win the 100 title. He was also among the leaders in the national AAU meet in Walnut, California. Jim Foster set a new OU broad jump mark with a leap of 24-5½ and Bruce Hunter hop-step-jumped 47-4½ for a new school record. Ou competed in nearly 20 meets this season, a new high for OU tracksters.

ROCKET ROGER SAYERS, defending NAIA 100 yard dash king, has lost only 11 of 77 races against the nations top sprinters in his two year OU career. Selected as OU's athlete of the year last spring, he grabbed the Nebraska Athlete of Year award this fall after a fine football season.

TENNIS team members; First Row: Joe Benson, Mike McColley, Al Konecky. Second Row: Duncan Fraser, Bob Odgen, Mike Farmer, Ernie Gorr. Coach Ernie Gorr's tennis squad had rather tough sledding this year finishing the season with a 2-8 record. They finished fifth in the CIC tournament with 4 points.

Coach Ken Fischer's GOLFERS, under the leadership of Bill Giese, captured second place in the conference meet. Giese was CIC medalist and also competed in the NAIA Championships at Davenport, Iowa. The linksmen won 8 of 12 dual matches during the initial season.

Golf team members; First Row: Bill Giese, John Gaffney. Second Row: Maynard Amendsen, Bill Banter, Jim Gember.

First Row, Left to Right: Jim Fuxa, Jack Benedict, Jon Williams, Gary Cozad, Willard Shepard. Second Row: Phil Goduto, Jim

Jones, Mel Masek, George Crenshaw, John DeGeorge, Coach Al Caniglia.

The WRESTLING squad won five of eleven matches this season. George Crenshaw and Jim Fuxa both went undefeated and had one tie apiece. Injuries to key squad members was the biggest factor affecting the season. Crenshaw alone missed two matches because of injuries.

The "O" CLUB officers for the year were Mel Masek, president; Gerry Richardson, vice-president; Dave Gibson, Treasurer; and Dean Taylor, Chairman of the nominating committee. A formal initiation was held at the Fontenelle Park Pavillion on February 2 in which eight new members were initiated into the organization. They were: Joe Benson, Loren Drum, Ron Eissler, Jim Freelin, Neil Galloway, Don Henkel, Ron Hoham, Warren Lenz, Herb Rhodes, and Tom Wolff.

First Row: Jim Freelin, Dave Gibson, Tom Wolff, Stan Kurtz, Ray Hultman, Gerry Richardson, Lloyd Cardwell, Dean Taylor. Second Row: Paul Limas, George Crenshaw, Ron Eissler, Joe Benson,

Mel Masek, Don Watchorn, Warren Lenz, Don Henkel, Herb Rhodes, and Loren Drum.

A new era was ushered in at OU this past year when DATA PROCESSING, or IBM to the uninitiated, went into operation. Despite the problems of handling cards and cards, registration did seem to get completed quicker than ever before. And we have been assured the bugs will all be out of the system soon! Heading the operation is B. L. Byers, assisted by James Unverferth, Rita Vance, Joyce Brown and Barbara Reed.

The *STUDENT CENTER* Hostesses and Information Desk clerks are, right, Hazel Hastings, Maurine Replogle, Agnus Powers and Babette Crowder. In charge of the many people involved in Food Services (pictured below) are, above, Food Service Manager, Carol Graham and her assistants, Jo Larsen and Russell Oswald.

At right is Bowling Lanes Attendant Dennis Pokorny and Games Room Supervisor, Robert Haselton. The Student Center custodial staff includes, Stanley Adamson, Elmer Urban, Robert Gruber and Owen Koltz.

James Ochsner, head of the PURCHASING DEPARTMENT, and his staff purchase, receive and inventory all supplies for the entire University. His staff is first row, Shirley Jespersen and Naomi Brochtrup; second row, Joe Pecha and Mr. Ochsner.

Personnel Supervisor, Dorothy Wille, interviews all University job applicants for positions other than teaching and handles the faculty and staff insurance programs.

The students supply center and about the busiest place at the beginning of semesters is the BOOKSTORE managed by Bernard Koenig. Jo Elyn McGowen is the cashier, Joan Crofton the bookkeeper and Tom Hruska is the assistant manager.

The 24-hour a day 7-day a week job of keeping the University in tip-top shape is the job of the **BUILDING and GROUNDS DEPARTMENT** under the supervision of Clarence Lefler who is assisted by Robert Krenzer. The department consists of over 50 employees.

A focal point of contact between the students and the University are the parking lots, and, although not strictly a part of the academic life of OU, parking is indeed a major University consideration. A five-member PARKING COMMITTEE has been charged with the responsibility for determining metered lots, paving and repair, and the system of fines for violators. Members include Dean Kirk Naylor, Mrs. Dorothy Wille, Harold Keefover, Mrs. Eunice Rowland, and Clarence Letler.

The following section has been set aside for the advertisers whose support for the TOMAHAWK should not go unnoticed. It is the advertisers financial help that has helped to create this yearbook. With their help it has been possible to record a year of the University's activities. In reality, the advertisers join hands with the students and faculty to become the lifeblood of this yearbook.

Everything that's really new is ELECTRIC

You will find, in whatever field of endeavor you may choose, everything that's really new is electric. In the home, business, industry, and agriculture, electricity is doing more things automatically every day. Electricity is the energy with a brain . . . it can turn itself on, complete its assigned task, and then terminate, all automatically.

Your electric servants and tools will work for you effortlessly and tirelessly . . . even while you rest, or busy yourself with other tasks.

And in the future, as new challenges and problems present themselves, electricity will help to meet and solve them . . .

OUR CHIEF'S LOOKING FOR INDIANS

AT MUTUAL OF OMAHA and United of Omaha we're always looking for talented young people to fill positions which offer a challenge to their abilities. You'll find the door to opportunity and advancement wide open. Mutual's growth to leadership in the health insurance industry, a story that keeps repeating itself year after year, and United of Omaha's dynamic rise in the field of life insurance foster a spirit and atmosphere of progress which leads to unlimited opportunity for achievement. For many years, the University of Omaha has provided us with men and women willing to accept the challenge. The extent of their careers is limited only by their willingness and imagination. When positions with higher reward and responsibility become available, it's our policy to promote from within whenever possible. If you're interested in joining our tribe, where success and opportunity are an everyday experience, drop by our wigwam on Farnam at 33rd. Daily councils are held in our Personnel Department between 8:00 a.m. and 4:45 p.m.

The flexible structure *CHANGES* its parts to accommodate quantities; to achieve more quality and to grow and serve better its functions and inhabitants In viewing some of the changes of our university we cannot help but quote:

"Today is not yesterday—We ourselves change.—How then can our works and thoughts, if they are always to be the fittest, continue always the same.—Change, indeed, is painful, yet ever needful; and if memory have its force and worth, so also has hope.—"

"All growth is endlessly enthralling."

Change can be advanced by associating with men with whom you can walk among the stars"

A black and white photograph showing a dense network of bare, dark tree branches against a light, overcast sky. The branches are intricate and fill most of the frame.

"To be interested in the changing seasons is a happier state of mind than to be hopelessly in love with spring."

*"Every moment can be illuminated by
the uncommon of the commonplace"*

*"Man alone, of all creatures on earth,
can change his own pattern. Man
alone is architect of his destiny."*
